

Have you heard?? **THRIVE** has exciting news!

The **THRIVE** Program is now offering outpatient services to children and families covered by Medicaid.

What this means:

- 1 - Continuity of care for families currently receiving IIC services with Thrive
- 2 - Immediate appointments available via telehealth
- 3 - A new resource for families providing access to a wide range of modalities, including creative & expressive art therapies (music, movement, dance, drama, art & play)
